

The Applicant agrees that all meters, meter boxes, valves, pipes, fittings, and other equipment or materials placed on or under the premises by the YSPSC for the purpose of rendering the service(s) to said premises up to and including meter installations, unless otherwise expressly provided, shall be and remain the property of the YSPSC, and we shall exercise reasonable care to protect such property from loss or damage. As a consideration for the YSPSC's making service(s) available, we agree that at the commencing of the service(s) all distribution systems up to and including meters, approved for ownership by the YSPSC, previously constructed by or for us, shall become the property of the YSPSC and all future maintenance, repair or replacement will be at the YSPSC'S expense; except in the instance where the property damage results from our failure or neglect to protect or to exercise reasonable care to protect the State property, in which case, I will pay the reasonable costs of repair or replacement.

The YSPSC representatives shall have full and free access to the premises at all reasonable times for the purpose of reading meters, for inspection and repairs, to remove YSPSC property or for any other purpose incident to the service(s). We shall have the right to request and examine the representative's identification card before allowing entry.

For Water and Sewer service connections, an estimate of the cost of the materials and labor required to provide the services will be prepared by the YSPSC. For water service the applicant shall be required to pay the application fee of \$20.00 dollars, plus the cost estimate for connection or \$25 (twenty -five dollars), whichever is greater. If a sewer service connection is made concurrently with the water connection there will be no additional application fee. An applicant will be required to pay the cost estimate for the sewer connection or \$20 (twenty dollars), whichever is greater. The estimate will be submitted to the applicant for approval and deposit prior to installation. The applicant will also be required to pay a two month deposit in accordance with current regulations..

In case we are not the owner(s) of the premises or of intervening property between the premises and the YSPSC's lines, we agree to obtain from the proper owner(s) the necessary easements on the premises and intervening property for installation and maintenance of all equipment and materials required for supply the service(s) and we hereby agree to hold the YSPSC harmless and free from any claim against or suit by the owner(s) arising by reason of transiting said property.

Bills will be provided to the Applicant each month according to meter reading schedules. Failure of YSPSC to provide bills on a monthly basis does not relieve the Applicant of his obligation to pay his bills when presented later. The Applicant agrees that the YSPSC shall have the right to discontinue any or all utility services on due notice and to remove YSPSC property from the premises whenever bills for any service are delinquent. Bills shall be considered delinquent if not paid within thirty (30) days on or before the due date shown on the bill. YSPSC shall have the right to disconnect services after giving thirty days written notice to the Applicant and the Applicant has failed to make full payment during the thirty (30) days notice period. The Applicant agrees that the YSPSC shall have the right to disconnect any or all services in the event that the Applicant fails or neglects to comply with

or perform any of the conditions or obligations contained herein or in applicable regulations of YSPSC or the YSPSC Boards of Director.

Reconnection charges required to reconnect the service shall be \$40.00 (forty dollars) plus balance and we agree to pay the charges prior to reconnection.

All accounts disconnected from services due to failure to make payments will be automatically referred to a collection agency for collection. Additional charges may be imposed by the collection agency.
